

WELCOME INDUSTRY PARTNERS

On behalf of the Sterilizing Research and Advisory Councils of Australia (NSW SRACA) Committee, it gives me great pleasure to welcome you to the NSW State Conference being held at the Novotel, North Wollongong. From the 12th to 14th of November 2025.

Over the course of the conference, we look forward to exploring a range of topics related to sterilizing in Australia. With a diverse range of speakers and presentations, we are confident that this will be an enlightening and informative experience for all in attendance.

Furthermore, we are thrilled to provide this opportunity to network and connect with colleagues from across the state and country, fostering new relationships and strengthening existing ones.

We hope that you will join us to collaborate share and connect once again, not just to enjoy the beautiful Wollongong Coast but more importantly to reconnect with past and new colleagues. We hope to make it very productive, enjoyable, and memorable conference for all attending.

Look forward to seeing you on the coast in November 2025.

David Bellamy

SRACA NSW & FSRACA President, WFHSS Vice President

On Behalf of the SRACA NSW Committee
